

## Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

Read more about Early Journal Content at <http://about.jstor.org/participate-jstor/individuals/early-journal-content>.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

## CLASSICS IN SUMMER TIME

F. J. M.

The following courses in Latin and Greek are offered in colleges and universities in the United States in session during the summer. Sessions vary from six to twelve weeks in length.

Academic or academic and Freshman grades only are offered by the Universities of Alabama, Arkansas, Denison, Johns Hopkins, and Texas. These courses are not listed below.

The large number of teachers' training courses in Latin offered during the summer is noticeable and is in keeping with the rapid development of courses in education to be observed in all the summer sessions. The universities and colleges offering advanced as well as Freshman Latin are as follows. All Greek courses are listed:
